

A/Professor. Kambiz Bahaadinbeigy CV

Name and Contact Details

Dr Kambiz Bahaadinbeigy (Bahaadini)
Kerman University of Medical Sciences
Phone: +989134416109
Email: Kambizb321@gmail.com

kbahaadini@kmu.ac.ir

Google Scholar link : <https://scholar.google.com/citations?user=0B22pGQAAAAJ&hl=en>

LinkedIn: <https://www.linkedin.com/in/dr-kambiz-bahaadinbeigy-8b477230/>

ORCID: <https://orcid.org/0000-0002-5430-3758>

Professional Address:

- Medical Informatics Research Center, Institute for Future Studies in Health, Kerman University of Medical Sciences, Kerman, IRAN
- Management and Health Information Sciences school, Campus of Kerman University of Medical Sciences, Beginning of the road Haft-Bagh Alavi, Kerman, Iran.

Educations:

- | | |
|-------------|--|
| 2016-2019 | Specialist in Emergency Medicine, Department of Emergency Medicine, Kerman University of Medical Sciences, Kerman, IRAN |
| 2006 – 2009 | PhD in Medical Informatics – telemedicine & electronic- health- department of telemedicine, Lions eye Institute, University of Western Australia.
PhD thesis title: <i>Developing a Tool for Prioritization of Different Telemedicine Applications for the Large-Scale Implementation of Telemedicine in Western Australia.</i> |
| 1991-1998 | Doctorate in Medicine (General Practitioner), School of Medicine, Kerman Medical University (KMU), Kerman, IRAN |
-

- Membership in scientific committee:**

A/Professor. Kambiz Bahaadinbeigy CV

International Certificates/Course:

- Medical Informatics Course (10X10 Program): Oregon Health Science University , USA, July –October 2008
 - Teleophthalmology fellowship course–Commonwealth Scientific and Industrial Research Organization (CSIRO), Australia 2010. (Invited)
 - Health information system: analysis and design. The University of California. UC Davis. (May 2010-August 2010). (Online course)
 - Telehome care course. American Telemedicine Association. 2008 (Online course)
-

Teaching Experiences:

- Telemedicine for Ph.D. students of medical informatics, Mashhad University of Medical Sciences, Mashhad, Iran
- Training main courses for B.Sc. & M.Sc. students of health information technology, Kerman
- Computer application in digital imaging for B.Sc. students of radiology, Kerman
- Information technology in nursing for Ph.D. students of nursing, Kerman
- Information technology in microbiology for M.Sc. students of microbiology, Kerman

lectures:

- Key lecturer: 4th conference of information and communication technology in medicine, Mashhad, Iran, 2011
 - Key lecturer: International Conference on the role of satellite technology in improving human health, Tehran, Iran 2011
 - Key lecturer: 5th conference of e-learning in medical education, Kerman, Iran, 2011
 - Invited lecturer: International conference of lung diseases, telemedicine panel, Tehran, Iran, 2013
-
