

## Curriculum Vitae

Ali Sadatmoosavi

PhD in Library & Information Sciences, Assistant Professor

Page | 1

### Personal details:

**Surname:** Sadatmoosavi

**First name:** Ali

**Address:**

Department of Medical Library and Information Sciences, faculty of Management and Information, Kerman University of Medical Sciences, Kerman, Iran

**Phone:** (+98) 34-3132-5396

**E-mail:** moosavi56gmail.com

### IDs:

**ORCID:** <https://orcid.org/0000-0001-6800-3345>

**Researcher ID:** <https://publons.com/researcher/1721905/ali-sadatmoosavi/>

**ResearchGate:** <https://www.researchgate.net/profile/Ali-Sadatmoosavi>

**Google Scholar:** <https://scholar.google.com/citations?user=tq2yifgAAAAJ&hl=en>

**Scopus:** <https://www.scopus.com/authid/detail.uri?authorId=36816412800>

## Areas of interest:

Social Network Analysis (SNA)

Scientometrics

Bibliometrics

Altmetrics

Library Management

Knowledge Translation

Knowledge Management

Information literacy

## Honors:

Being selected as 2019 young researcher of the year

Ranking the third place of the country in management and creativity in Covid-19

## Educational qualifications:

B.S., M.S. and PhD, Library & Information Sciences

PhD in Library and Information Sciences, Science and Research Branch, IAU, Tehran, Iran

## Managerial Positions:

- Director of Scientific Resources and Dissemination of Medical Information (2019 - ).
- Director of the Central Library and Documentation Center of Kerman University of Medical Sciences (2019- ).
- Head of the Support and Technical Help Office of Kerman University of Medical Sciences Journals (2017- ).
- Deputy Chairman of the University Publishing Council (2020 - )
- Member of the University Research Council (2020 - )

## Publications (English & Persian)

### Books

- Knowledge and Knowledge Translation (Ed. 1), Tehran: Ketabdar, 2015. [in Persian]
- Knowledge and Knowledge Translation (Ed. 2), Tehran: Ketabdar, 2016. [in Persian]
- Abstract of PhD Dissertations of Islamic Azad University of Tehran, Science and Research Branch, Faculty of Humanities and Social Sciences (1987-2007), Tehran: SRBI AU, 2007. [in Persian]
- Information Literacy: Concepts and Theories, Kerman: Kerman University of Medical Sciences, 2021. [in Persian]
- Handbook of World-Famous Indexes and Abstracts, Tehran: Tehran University, 2018. [in Persian]

## Research Projects

- Structure of Knowledge in Infectious Diseases and Tropical Medicine Field Based on Co-Word Analysis and by using Network Analysis and Science Visualization
- evaluating scholarship training activities in members of faculty of Kerman University of Medical Sciences.
- Geographical Distribution of covid-19 Diseases and Mortalities Related covid-19 in Kerman Province
- Current status, hotspots and subject trends in biomedical articles indexed in PubMed with emphasis on Islam
- Identifying the impact of hospital services regionalization policy's consequences on treatment costs and the requirements for its implementation in Iran
- Analyzing and mapping the intellectual structure of published articles in the field of epidermolysis bullosa disease using the co-word approach
- The Infodemiological study based on information seeking behavior of users and scientific production on multiple sclerosis
- Visualizing and development of ontology in vitiligo disease to help its differential diagnosis
- Visualizing Of Matricaria Chamomila based on published articles during 1983 to 2019
- Investigation of the status of research data management and its challenges in the Iran medical universities and proposing a model
- Investigating the Status of Scientific Products and Co-authorship Network of Researchers of Kerman University of Medical Sciences in the Period from 2009 to 2020
- Challenges of using evidence in the managerial decision making in primary health care system
